Greetings,

We appreciate you contacting our office and remarks -- I am including (CC'd) our Field Deputy **Sean Starkey** who would be your representative on behalf of the Councilmember O'Farrell and may provide information/assistance on this concern/matter. Thank you again.

My best,

Dear Sirs,

I am a teacher at a local school and I am very concerned about the homeless camp at the corner of Harold Way and Wilton. (among many other places)

There are many homeless people milling around while the nearby elem. school is in session and there is trash and tents, discarded food and feces.

I woke up and found homeless person sleeping in my carport today ..... a very dangerous situation for me.

I live in this area and I am shocked that our city allows this to continue ... especially so close to an elementary school.

I hope you take the time to walk around the block near Grant Elem. School and see for yourself what a risk we are placing our kids in, as a result of al this.

It is past time.... for our city fathers to take care of this situation.
